

SURVEYS			
int	id	PK	Primary Key, auto-increment
varchar	name		Survey name, max 255 chars
text	description		Optional description
timestamp	created_at		Default: CURRENT_TIMESTAMP
timestamp	updated_at		Default: CURRENT_TIMESTAMP
boolean	is_active		Default: TRUE, soft delete flag

QUESTIONS			
int	id	PK	Primary Key, auto-increment
int	survey_id	FK	References surveys(id)
varchar	name		Question name, max 255 chars, unique per survey
enum	type		Question type enum
varchar	text		Question text, max 500 chars
text	description		Optional question description
boolean	required		Default: FALSE
int	sort_order		Display order, default: 0
json	file_properties		File upload config {format, max_size_mb, multiple}
timestamp	created_at		Default: CURRENT_TIMESTAMP
timestamp	updated_at		Default: CURRENT_TIMESTAMP

RESPONSES			
int	id	PK	Primary Key, auto-increment
int	survey_id	FK	References surveys(id)
varchar	user_email		Respondent email address
timestamp	submitted_at		Submission timestamp
timestamp	created_at		Default: CURRENT_TIMESTAMP

OPTIONS			
int	id	PK	Primary Key, auto-increment
int	question_id	FK	References questions(id)
varchar	option_value		Option value for storage
varchar	option_label		Option label for display
int	sort_order		Display order, default: 0
timestamp	created_at		Default: CURRENT_TIMESTAMP

ANSWER_TEXTS			
int	id	PK	Primary Key, auto-increment
int	response_id	FK	References responses(id)
int	question_id	FK	References questions(id)
text	value		Text answer value
timestamp	created_at		Default: CURRENT_TIMESTAMP

ANSWER_CHOICES			
int	id	PK	Primary Key, auto-increment
int	response_id	FK	References responses(id)
int	question_id	FK	References questions(id)
json	selected_values		Selected option values (JSON array)
timestamp	created_at		Default: CURRENT_TIMESTAMP

CERTIFICATES			
int	id	PK	Primary Key, auto-increment
int	response_id	FK	References responses(id)
varchar	filename		Uploaded file name, max 500 chars
varchar	file_path		Server file path, max 500 chars
timestamp	uploaded_at		Upload timestamp
